Focus group members are encouraged to volunteer to serve on internal workgroup subgroups. A list of subgroups will be distributed with the minutes of this meeting. CMS stressed no duplication of services between health home providers, HCBS waiver case management, and other MCO activity is to occur. CMS also suggested that Kansas choose Option 2 from the health homes model options because Kansas has a comprehensive “all-in” approach to managing all aspects of Member care. 	9:30-9:40  Health Homes Project Team Subgroups 131
